

### Product Description

**NORTH 69 Full Synthetic** is formulated with ultra-pure synthetic base oils and superior additive technology.

Start protecting from the click of the ignition by circulating faster, even in -30°C temperatures. Not only exceed the stringent requirements of API SN PLUS but also surpass the stricter limits defined by foreign and domestic automakers for some of their highest performing engines.

### Properties

- Decrease high temperature volatility burn off that can cause any oil to burn and evaporate.
- Our unique detergent package prevents the formation of high temperature deposits and sludge, maintaining engine.
- Performance and durability when you need it the most.
- Excellent resistance for aging.

# NORTH 69

## Full Synthetic Motor Oil

### Features & Benefits

- ★ Superior cold start up protection
- ★ Exceptional wear protection
- ★ Resists degradation due to heat and oxidation
- ★ High temperature volatility resistance
- ★ Reduces deposit and sludge formation
