

NORTH 69

HD Engine Oil

Features & Benefits

- ★ Superior cold start up protection
- ★ Exceptional wear protection
- ★ Resists degradation due to heat and oxidation
- ★ High temperature volatility resistance
- ★ Reduces deposit and sludge formation

Product Description

NORTH 69 HD engine oil is formulated for superior heavy duty, Excellent wear protection and friction reduction across wide range of operating conditions.

Start protecting from the click of the ignition by circulating faster, even in -36°C temperatures. We not only exceed the stringent requirements of API CK/SN but also surpass the stricter limits defined by foreign and domestic automakers for some of their highest performing engines.

Properties

- Decrease high temperature volatility burn off that can cause any oil to burn and evaporate.
- Our unique detergent package prevents the formation of high temperature deposits and sludge, maintaining engine.
- Performance and durability when you need it the most.
- Excellent resistance for aging.

Specifications & Approvals

Meets or Exceeds	20W-50
CF, CF-4, SG, SF	✓

Typical Results

SAE Grade	20W-50
Viscosity (D445) cSt at 40 °C	148.9
cSt at 100 °C	17.6
Viscosity Index (D2270)	129.8
High Temperature / High Shear Vis at 150°C, cP	3.74
Pour Point (D97) (°C)	-20

Supporting data available to demonstrate acceptable performance. Check with your sales associate for latest product approvals.
Please note, these are typical performance indicators and can change without notice.

This data sheet replaces previous versions prior to 22-37-82.
